Wednesday	December 19	5:00 pm 7:00 pm	Pediatric Specialty Care 2900 Johnson Street Aliquippa, Pa 15001 West Hills - Performance 951 Brodhead Rd 15108

Please plan on attending regular Dance Company classes on dates when we do not have performances. Since some of the classes are shortened due to performances, dancers are encouraged to take additional technique classes during the month of December in another class. There are no additional charges to drop in and take class in December. Please refer to our website for the class schedule.

Dancers must arrive at least ½ hour before performance. We do not always have a dressing room, so please make sure dancers arrive in costume with proper hair and make up. Dancers with costume changes are required to have a nude color camisole under their costumes. These can be ordered through the studio.

It is mandatory that all dancers attend the scheduled rehearsals and classes prior to performance. Those not present may not be able to perform at the discretion of the instructor. Remember to email if your child is sick and can not attend class.

Please remember that you represent Arena's Dance Company and you should be courteous and professional at all times. Don't forget to wear your Arena's Dance Company logo jacket to all performances.

*Performance schedule is subject to change. Please make sure your accounts are up to date with current cell phone #'s, student cell phone #'s, and emails for any last minute changes that might be sent out.
