Hello ADC Families,

We hope you are all staying safe during this unprecedented time. With everything changing daily, we are trying to continue with your children's dance and musical theatre education as if they were in the studio. Therefore, we are setting up online classes where students will be able to continue to learn and grow! We will be posting class and recital material as well as dance and musical theatre activities. And maybe even a little stretch class for Mom and Dad.

All virtual learning will be conducted through an application called BAND. You can download the app on your phone or tablet, or visit the website [www.band.us](http://www.band.us) if you prefer to use your laptop or desktop. Parents/students will need to set up a BAND account. If you or your child is enrolled in multiple classes, they will need to join each group individually so that they are receiving the appropriate class material. Bands will be grouped in the following categories: Pre-School Classes, TBJ ages 6-12+, Hip Hop/Lyrical/Contemporary/Pointe/Pre-Pointe, Dance Company, Competition and Musical Theatre. We will be emailing you an invitation to join this week.

In regards to accounts, we will waive any late fees that have been posted and would be happy to work with you to make payment arrangements. Your support of our studio is crucial to continue to be the leader in offering top-notch instruction in dance and musical theatre classes to our community.

Thank you for your continued support of the studio and our staff. We will get through this together... The Show Will Go On!

Dancingly,

Adrienne and Staff at Arena's Dance Company
