Please plan on attending regular Dance Company classes on dates when we do not have performances. Since some of the classes are shortened due to performances, dancers are encouraged to take additional technique classes during the month of December in another class. There are no additional charges to drop in and take class in December. Please refer to our website for the class schedule.

Dancers must arrive at least ½ hour before performance. We do not always have a dressing room, so please make sure dancers arrive in costume with proper hair and make up. Dancers with costume changes are required to have a nude color camisole under their costumes. These can be ordered through the studio.

Long sleeve turtleneck may be worn under costume for outside shows for: Gold - White shirt

It is mandatory that all dancers attend the scheduled rehearsals and classes prior to performance. Those not present may not be able to perform at the discretion of the instructor.

Please remember that you represent Arena's Dance Company and you should be courteous and professional at all times. Don't forget to wear your Arena's Dance Company logo jacket to all performances.

Happy Holidays and Happy Dancing!
